THORPE WORRIES McGRAW.

Indian Falls to Catch a Train and
May Be Lectured at Marlin.

A wild rumor was in circulation among baseball men yesterday that the Indian athlete, Jim Thorpe, had decided to quit the Giants, with whom he signed a contract several weeks ago. Thorpe did not board McGraw's train at Harrisburg Sunday night, but Secretary Foster explained yesterday that the Indian had missed train connections and probably would follow the New York players to Marlin at once.

It is known that several promoters have been trying to induce Thorpe to give up baseball and join an athletic combination in the United States. One of these promoters told THE SUN man the other day that he was ready to sign Thorpe and Frank Gotch, the champion wrestler, to join Luther McCarty in a tour. McCarty would box all corners in four round bouts, while Gotch would wrestle in exhibitions, each event in the afternoon. Thorpe would show his athletic, football and basketball skill in the afternoon. The promoter in question said that this combination if made would clear \$100,000 in less than six months and that the promoters would split the third of this amount to Thorpe. The Indian's contract with the Giants for this year calls for a \$6,000 salary.

Thorpe, it is said, got \$500 for taking part in professional athletic games in Boston last Saturday night. He disappointed McGraw by failing to leave here Sunday night with Matty and other New York players for St. Louis, en route to Marlin. Thorpe, it was explained, passed through here from Boston early Sunday morning on the way to Harrisburg, where he was expected to join McGraw. Perhaps when the Indian reaches Marlin he will receive some fatherly advice from the Giants' leader.

Milton Stock, the young shortstop who was turned over to the Buffalo club last year by McGraw, signed a New York National League club contract yesterday.

ST. NICKS NOW ON TOP.
Defeat Hockey Club Seven by Score
of 3 to 2 in Hot Struggle.

In a fast but clean hockey game that ended in a penalty for the St. Nicholas Skating Club yesterday, the St. Nicholas Skating Club defeated the Hockey Club, 3 to 2. It was a struggle between the two leaders and for the first half there was nothing to choose, as the puck went hurtling from one end of the rink to the other, with the hockey club stopping every shot of the hockey club forwards and Lewis preventing the St. Nicks from scoring a goal.

The lineup:
Hockey Club. Positions. St. Nicholas.
Lewis. Goal. Washburne.
White. Left. Richards.
Britton. Center. Brown.
Castelman. Right. Bower.
Kendall. Left. Bower.
Young. Right. Bower.
Scott. St. Nicholas. Center. Bower.

HOCKEY TO BE RECOGNIZED.
Harvard Student Council Votes to
Make This Major Sport.

CAMBRIDGE, Mass., Feb. 18.—The Harvard student council today has voted on record as favoring the placing of hockey on the list of major sports at Cambridge and on Thursday will recommend to the athletic committee that the varsity be awarded to the hockey players who take part in the game against Yale. It is still possible on account of the close vote of the student body that the committee will continue to withhold the "H" from the hockey players.

The Harvard Varsity Club, in which only men who have won their letters in major sports may attain membership, is now a prominent feature in Harvard's undergraduate life and the hockey men feel that they are entitled to belong to it. It is also recommended that the letters be given to all former members of the four crew crews.

Florida Women's Title.

PALM BEACH, Fla., Feb. 18.—First honors in the women's golf championship of Florida today went to Miss Hyde, who scored a 75 in the eighteen hole qualification round, establishing a new competitive women's record for the course and making the low score. Miss Hyde, who is a member of the club, was elected by a majority of the members.

MARSHALL HALTS CAPABLANCA.
Checks Cuban's Winning Streak by
Brilliant Drawn Game.

HAVANA, Feb. 18.—Frank J. Marshall, the United States champion, checked the mad rush of Jose R. Capablanca, the Cuban champion, today by brilliant play that brought a draw in the most important encounter of the Cuban Chess Masters' Tournament. At various stages of the play each man seemed to be in imminent peril of checkmate from his adversary, but skillful maneuvering pulled them through.

Rafael Blanco, a native of Havana, won his game with A. Rupik of New York. Blanco, who is a member of the club, was elected by a majority of the members.
